MARRIOTT SCHOOL OF BUSINESS, BRIGHAM YOUNG UNIVERSITY | Provo, UT Aug 2016 - Dec 2020

B.S. Finance, 3.65/4.0

EXPERIENCE

CICERO GROUP | Salt Lake City, UT Aug 2025 - Aug 2026

A boutique management consulting firm serving social impact and commercial clients with data-driven solutions

Business Analyst

- Led comparable-acquisition analysis to support M&A due diligence in the fire and life safety industry, informing a deal that resulted in $125M in acquisitions
- Ran surveys and supplemental analysis for a nonprofit serving ~17,000 high school seniors, generating data points used in leadership reporting, advertising, and a Wall Street Journal feature
- Adopted AI tools to accelerate analysis and automate repetitive workstreams, expediting client deliverables

BREX INC. | Salt Lake City, UT Jan 2021 - Aug 2025

A corporate spend management financial technology startup. (Sold to Capital One for $5.15B)

Operations Associate Manager

- Diagnosed inefficiencies in case-handling workflows using SQL, then designed, pitched, and implemented process changes that cut case volume by 50%
- Identified a high-cost manual process, then partnered with engineering to build an email automation covering 2,000+ wire return emails, saving 170+ hours of manual work and lowering cost to serve
- Implemented country-specific solutions to decrease the FX international wire return rate by 47%
- Managed and trained a high-performing team of nine analysts and interns, owning performance reviews and workload prioritization for the team's queues

Operations Associate

- Executed 6+ daily allocations for a ten-figure portfolio while maintaining 15c3-3 regulatory compliance
- Designed and rolled out procedures to enable the closure of ~17,000 suspended accounts
- Partnered with engineering to maintain 100% accuracy across customer allocations

Operations Analyst

- Owned the accounting reconciliation process through a successful banking partner migration
- Developed subject matter expertise by reviewing 6,400+ manual check deposits
- Authored and enacted Brex's first internal check-deposit policy, standardizing a previously ad hoc process

TARGET CORPORATION | Minneapolis, MN Jun 2020 - Aug 2020

Fortune 40 National retailer

Financial Analyst Development Program (FADP) Intern

- Researched and presented profitability findings and recommendations on seasonal promotions to leadership

INTERNATIONAL BUSINESS MACHINES (IBM) | Rochester, MN May 2019 - Jan 2020

Fortune 40 International Information Technology Services Provider

Financial Analyst Co-op

- Managed financial reporting and tracked revenue and costs across four contracts averaging $16M each
